### Evaporative cooling for New Warehouse

Net A Porter.com, the on-line high end fashion chain have opened their third Warehouse in Charlton next to the Millennium dome, Celsius have supplied and installed 14 no. Celsius EcoCooling units and 8 no. Celsius powered extraction units.

Seven coolers provide fresh cool air above the mezzanine floor and a further seven units provide cool air to below the floor. Fully automatic control is provided using individual thermostatically controlled wall mounted panels, these are also interlinked into the fire alarm system.
